

IEEE Caltech Chapter

Meeting Minutes
Feb 18, 2010 – 12:00pm

A short IEEE board members meeting took place in Chandler on February 18th, 2010, to discuss ideas for future events.

Below is a summary of the meeting.

Student/Faculty lunches

- Sujitha will talk to Professor Hassibi to talk about the possibility of organizing student/faculty lunches.
- Penguin will contact Linda to see how this could be done.
- We will wait for Sujitha and Penguin before sending emails to faculty asking if they are interested in these lunches.

IEEE lounge

- Sujitha talked to Professor Hassibi about the possibility of getting an IEEE lounge in Moore.
- The lounge might be filled with books, computers, a soda machine, food, printers, and whiteboards.
- We need to come up with a budget for this lounge.
- We will wait for Professor Hassibi to let us know if there is a room in Moore available for this.
