

# IEEE Caltech Chapter

---

**Meeting Minutes**  
**Apr 29, 2010 – 12:00pm**

A short IEEE board members meeting took place in Chandler on April 29<sup>nd</sup>, 2010.

Below is a summary of the meeting.

- We will have elections for next year's IEEE board members on Friday (May 7<sup>th</sup>), at 12pm, in Moore. Pizza or other food will be provided. We will vote on the new members over there. An email with more details will be sent out to all IEEE members soon.
- Penguin on the budget meeting with ASCII: ASCII did not like the idea of funding IEEE for a printer or for a vending machine, but they might fund the club for the student/faculty lunches. We will know if we will get funding from them sometime next week. Next time we prepare a budget, we should focus more on activities for which we need funding instead of on objects like printers.
